

This year everything is a little different: We tend to stay at home, travel less in the wide world - and think back more to past trips.

Maybe you've been browsing through your photo albums and the one or another great memory of your semester abroad has come back.

We would like to hear about that!

The project Partners in Mobility is organizing an online photo contest as part of the #Erasmusdays2020! The photos will be displayed virtually on our website - and a prize will be raffled among all participants! The prize, a book voucher, can be redeemed in all participating bookstores throughout Germany.

This is how you can participate:

1. Choose your favorite photo from your semester abroad
2. Tell us in a maximum of three sentences why the moment captured in the photo is so special for you.
3. Fill out the form about the rights to your own photo, so that we can present it on our website.
4. If you send us the photo and the form to mobility@uni-flensburg.de, stating your name, course of studies and semester, you will automatically be entered into our competition.
5. **The deadline for entries is 16.10.2020.** The drawing of the winner will take place on 17.10.2020. However, the photo exhibition will remain online for a longer time.

We are looking forward to your special #Erasmus moments!
